

IOSH Managing Safely

Duration - 4 days

Aims and objectives

To ensure that managers in organisations are able to manage health and safety in their departments and the teams that they are responsible for.

On completion delegates will

- Understand the reasons for Managing Safely
- Have an understanding of the key legal requirements for health and safety.
- Be able to carry out practical risk assessments.

Who should attend?

The course is designed for managers and supervisors in any sector in any organisation.

Prior Knowledge - No prior knowledge is required

Course content

- Introducing Managing Safely
- Assessing Risks
- Controlling Risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
- Protecting our environment

Certification - All delegates who successfully complete both the written and practical assessments will receive an IOSH certificate in Managing Safely.
